Performance With Function And Style

Sporty and stylish bodywork. A comprehensive set of features for user convenience and comfort. The KINGQUAD 400FSi/4x4, powered by an efficient fuel-injected 376cm³ 4-valve engine matched to a functional semi-automatic 5-speed transmission, is designed, equipped and ready to deliver class-leading performance.

Instrument

- Fuel-injected 376cm³ 4-stroke 4-valve engine with new cam profiles and inner structures of the muffler, built for more powerful and efficient performance.

- Fuel injection contributes to smooth power output, especially in the mid-to-high range, as well as more consistent cold starts.

- The fuel injection system uses 3-D ignition maps for optimum ignition, targeting a responsive yet environmentally efficient performance.

- The powerplant is air-cooled with SACS, Suzuki's well-proven, efficient air/oil-cooling system.

- Functional and efficient semi-automatic 5-speed transmission.

- A gate-type shift lever allows simple and precise shifting from reverse through neutral, high and low ranges.

- Selectable 4WD. Easy switch into 2WD using a handlebar-mounted lever. (KINGQUAD 400FSi 4x4 only)

- Torque-sensing limited slip differential provides maximum traction and light steering effort when in 4WD mode. (KINGQUAD 400FSi 4x4 only)

- Independent front A-arm suspension. Swingarm rear suspension with unique dual shock absorbers delivering the comfort benefits of a fully independent suspension.

- Front brake calipers with a large 34mm piston diameter and matching large brake-pad surface area.

- Sporty bodywork featuring sharply angled, high-clearance fenders.

- Front bumper with large-diameter steel tubing enhances the robust looks.

- Lightweight and strong plastic skid plates, sturdy enough to withstand pounding of trail hazards yet slippery to help let obstacles slide below.

- Suzuki's exclusive T-shaped seat, designed for all-day comfort and easier body-weight transition.

- Full floorboards with integrated, raised footpegs and ample drain holes.

- Dual 35W headlights with high and low settings and a distinctive KINGQUAD shape.

- New LCD digital instrumentation includes speedometer, odometer, tripmeter, hour meter, clock, fuel gauge and indicator lamps for reverse gear, neutral, oil and FI.

Specifications

Engine Type	4-stroke, 1-cylinder, air-cooled with SACS, SOHC, 4-valve	
Engine Displacement	376 cm ³ (cc)	
Bore x Stroke	82.0 mm x 71.2 mm	
Compression Ratio	9.0 : 1	
Transmission	5-speed constant mesh, 2-speed with revers	
Overall Length	2,060 mm (81.1 in.)	
Overall Width	1,145 mm (45.1 in.)	
Overall Height	1,220 mm (48.0 in.)	
Wheelbase	1,270 mm (50.0 in.)	
Ground Clearance	250 mm (9.8 in.)	
Seat Height	840 mm (33.1 in.)	
Curb Mass	400FS 4x4	279 kg (615 lbs.)
	400FS	263 kg (580 lbs.)
Suspension	Front	Independent, double wishbone, coil spring, oil-damped
	Rear	Swingarm type, coil spring, oil-damped
Brakes	Front	Disc, twin
	Rear	Drum
Tires	Front	AT25x8-12☆☆, tubeless
	Rear	AT25x10-12☆☆, tubeless
Ignition Type	Electronic ignition (CDI)	
Fuel Tank Capacity	16.0 L (4.2 US gal.)	

Colors
