# What Are You Looking At ?

If you've been looking for a cruiser with muscular style, one that gives you the most for your cruising addiction, your choice is here : The SUZUKI BOULEVARD M50. This machine mates classic V-Twin motorcycle heritage brought alive by the engineering mastery that makes SUZUKI motorcycle magical.

Pearl Nebular Black (YAY)

Handlebar-mounted speedometer

Multi-reflector headlight

LED tail light

- 50 cubic inch (805cm<sup>3</sup>), liquid-cooled, SOHC, 45-degree V-Twin engine with fuel injection system for optimum power delivery.

- Fuel injection system helps the engine build its power and torque down low in the rpm range, and also deliver excellent fuel economy. It also features the Suzuki Dual Throttle Valve (SDTV) system for smooth throttle response throughout the rpm range.

- Auto Fast Idle System (AFIS) eliminates a choke and shortens the engine's warm-up time.

- 32-bit ECM (Engine Control Module) to deliver precise control for the best throttle response and efficient combustion.

- Low-maintenance, durable and reliable shaft drive transfers the power to rear wheel.

- Suzuki Pulsed-secondary AIR-injection (PAIR) system chemically reduces emissions.

- Sharply edged front fender makes front end of the bike look light and nimble. Contrary, Bob-tailed rear fender creates sleek flow line from the fuel tank and emphasizes power and toughness.

- Sporty inverted front forks provide exceptional front-end control and road-smooth action.

- Progressive rear suspension with mono-shock absorber makes comfortable riding while mimicking the traditional hard-tail look.

- Thick 16-inch front and 15-inch rear tires mounted on stylish black-colored cast-aluminum wheels.

- Removable passenger seat for full exposure of the rear fender.

- Handlebar-mounted speedometer with clear visibility. Other indicator lamps are positioned high on the fuel tank.

## Specifications

|                     |   |  |
|---------------------|---|--|
| Engine Type         | 4-stroke, 2-cylinder, liquid-cooled, SOHC, 45° V-Twin |  |
| Engine Displacement | 805 cm <sup>3</sup> (cc)                              |  |
| Bore x Stroke       | 83.0 mm x 74.4 mm                                     |  |
| Compression Ratio   | 9.4 : 1   |  |
| Transmission        | 5-speed constant mesh                                 |  |
| Overall Length      | 2,395 mm (94.3 in.)                                   |  |
| Overall Width       | 920 mm (36.2 in.)                                     |  |
| Overall Height      | 1,125 mm (44.3 in.)                                   |  |
| Wheelbase           | 1,655 mm (65.2 in.)                                   |  |
| Ground Clearance    | 140 mm ( 5.5 in.)                                     |  |
| Seat Height         | 700 mm (27.6 in.)                                     |  |
| Curb Mass           | 265 kg (584 lbs.)                                     |  |
| Suspension          | Front   | Inverted telescopic, coil spring, oil damped |
|                     | Rear  | Link type, coil spring, oil damped           |
| Brakes              | Front   | Disc   |
|                     | Rear  | Drum   |
| Tires               | Front   | 130/90-16 M/C 67H, tubeless                  |
|                     | Rear  | 170/80-15 M/C 77H, tubeless                  |
| Ignition Type       | Electronic ignition (Transistorized)                  |  |
| Fuel Tank Capacity  | 15.5 L (4.1 US gal.)                                  |  |

## Colors

Pearl Nebular Black / Candy Max Orange (EAI)

Pearl Nebular Black / Pearl Mirage White (GHK)
