# BURGMAN 650 *Executive*

# Looking Ahead On Luxury

The BURGMAN 650 Executive adds an extra touch of luxury to the consummate motorcycling experience delivered by the BURGMAN 650, with executive features that complement the sophistication and style of the standard model and realized extra control, comfort and refinement. The BURGMAN 650 Executive. Take another step forward in the pursuit of perfection.

## BURGMAN 650 Executive

Glass Sparkle Black (YVB)

Electrically controlled rearview mirror

ABS (Antilock Braking System)\*1

DC accessory outlet

- 638cm<sup>3</sup> liquid-cooled engine featuring fuel-injection system and vibration-reducing dual counter balancer shafts brings smooth performance.

- Pulsed-secondary AIR-injection (PAIR) system and catalyzer keep emissions low.

- Computerized Suzuki Electronically-controlled Continuously Variable Transmission (SECVT) featuring an efficient dry hybrid belt provides highly efficient performance.

- SECVT offers three modes, two fully automatic CVT modes (Normal and Power) and Manual mode, by using a handlebar-mounted button.

- Manual mode has six predetermined CVT ratios which are selected by using Up and Down buttons on the handlebar.

- Tubular frame and aluminum-alloy swingarm allow the engine to be mounted in a forward position for the excellent balance and agility.

- ABS (Antilock Brake System) monitors wheel speed, and matches stopping power to available traction.\*1

- Expansive, thickly padded seat allowing two persons to sit comfortably for long stretches. Rider backrest is adjustable without tools.

- 56-liter underseat storage compartment enough for normal size two full-face helmets and three front compartments for small items.\*2

- Passenger backrest contributes to comfortable tandem riding.

- Suzuki Advanced Immobilizer System (SAIS), a transponder-type transistorized digital computer-controlled immobilizer to increase security.

- Seat heater with selectable heat area (rider/rider and passenger) and grip heater for cold weather.\*3

- Comprehensive digital instrument cluster with a speedometer, odometer, trip meter, oil-change indicator and oil-level indicator, and shift indicator showing D for automatic operation, and 1 to 5 and OD (Overdrive) for manual operation.

- Electrically controlled rearview mirrors and height adjustable windscreen add more convenience.

- DC accessory outlet to charge electrical devices.

Specifications, appearance, colors (including body color), equipment, materials and other aspects of the "SUZUKI" products shown in this catalogue are subject to change by Suzuki at any time without notice, and they may vary depending on local conditions or requirements. Some models are not available in some regions. Each model may be discontinued without notice. Please inquire at your local dealer for details of any such changes.

Always wear a helmet, eye protection and protective clothing. Enjoy riding safely.  
 Read your Owner's Manual carefully. Never ride under the influence of alcohol or other drugs.

\*1 Please note that ABS is a supplemental device for brake operation, not a device for shortening distance. Always remember to reduce speed sufficiently before approaching curves and corners.

\*2 Depending on the size and shape, two full-face helmets can not be put in the underseat compartment.

\*3 Available for Canadian and European specifications only.

## Specifications

Engine Type	4-stroke, 2-cylinder, liquid-cooled, DOHC	
Engine Displacement	638 cm <sup>3</sup> (cc)	
Bore x Stroke	75.5 mm x 71.3 mm	
Compression Ratio	11.2 : 1	
Transmission	SECVT (Automatic and 6-speed)	
Overall Length	2,260 mm (89.0 in.)	
Overall Width	810 mm (31.9 in.)	
Overall Height	1,435 mm (56.5 in.)	
Wheelbase	1,595 mm (62.8 in.)	
Ground Clearance	130 mm ( 5.1 in.)	
Seat Height	755 mm (29.7 in.)	
Curb Mass	277 kg (611 lbs.)	
Suspension	Front	Telescopic, coil spring, oil damped
	Rear	Swingarm type, coil spring, oil damped
Brakes	Front	Disc, twin
	Rear	Disc
Tires	Front	120/70R15M/C 56H, tubeless
	Rear	160/60R14M/C 65H, tubeless
Ignition Type	Electronic ignition (Transistorized)	
Fuel Tank Capacity	15.0 L (4.0 US gal.)	

## Colors
