

Address 125

Sporty, Smooth & High Grade

The performance of its smooth, efficient and highly responsive fuel-injected 125cm³ 4-stroke SOHC engine. Precision engineering delivering optimum fuel economy and smooth, low-vibration operation. An expressive styling composed of edgy bodywork. Quality details like legshield-integrated front turn signals and sporty instruments. The Address 125. An invitation to a sport-minded, high-grade riding experience.

Address 125

New Titan Black (YNR)

Fuel injection

Front disc brake

Shuttered ignition switch

- 125cm³ 4-stroke SOHC fuel-injected engine is powerful and sets a brisk pace with smooth acceleration.

- Suzuki's original Suzuki Composite Electrochemical Material (SCEM)-plated aluminum cylinder makes for a compact and highly durable engine design.

- Combustion chamber shape is optimized with narrow valve angles to deliver high combustion efficiency for strong, responsive power output and optimize fuel economy.

- Sophisticated fuel-injection system automatically matches the fuel supply to various running conditions, resulting in easy engine start-ups, smooth power delivery and greater fuel efficiency.

- Low-vibration operation thanks to the addition of a single-shaft balancer.

- The Address 125 clears Euro 3 emissions regulations with its combination of fuel injection, catalyzer, and O₂ sensor.

- Combining a frame featuring a large-diameter main tube for a highly rigid yet lightweight design and highly rigid front forks, its chassis delivers smooth, well-composed riding stability and agile handling.

- 220mm-disc front brake and rear drum brake contribute to reliable stopping power.

- The good-looking body is sculpted for compact convenience, maintaining a low seat height for easier foothold. Bold, edgy front bodywork accentuated with a distinctly shaped multi-reflector headlight and leg-shield-integrated turn signals. Upswept rear design highlighted with an expressive sporty taillight.

- Ignition switch is covered by a security shutter that easily opens with a magnet attached to the main key.

- Generous 7-liter underseat compartment for your belongings.
- Sidestand with interlock mechanism requiring it be retracted before starting the engine.

- Centerstand with a clever shape allowing easy operation.

- Functional instrument panel includes a speedometer, fuel gauge and a gear-position indicator, all arranged in a sharp-looking, easy-to-read layout.

Specifications

Engine Type	4-stroke, 1-cylinder, air-cooled, SOHC	
Engine Displacement	124 cm ³ (cc)	
Bore x Stroke	53.5 mm x 55.2 mm	
Compression Ratio	9.6 : 1	
Transmission	4-speed constant mesh	
Overall Length	1,885 mm (74.2 in.)	
Overall Width	715 mm (28.2 in.)	
Overall Height	1,075 mm (42.3 in.)	
Wheelbase	1,220 mm (48.0 in.)	
Ground Clearance	135 mm (5.3 in.)	
Seat Height	770 mm (30.3 in.)	
Curb Mass	109 kg (240 lbs.)	
Suspension	Front	Telescopic, coil spring, oil damped
	Rear	Swingarm type, coil spring, oil damped
Brakes	Front	Disc
	Rear	Drum
Tires	Front	70/90-17M/C 38P, tube type
	Rear	80/90-17M/C 50P, tube type
Ignition Type	Electronic ignition (Transistorized)	
Fuel Tank	4.3L (1.1 US gal.)	

Colors

Metallic Medium Blue / Brilliant White (GWW)

Specifications, appearances, colors (including body color), equipments, materials and other aspects of the "SUZUKI" products shown on this leaflet are subject to change by SUZUKI at any time without notice and they may vary depending on local conditions or requirements. Some models are not available in some territories. Each model may be discontinued without notice. Please inquire at your local dealer for details of any such changes.

■ Always wear a helmet, eye protection and protective clothing. ■ Enjoy riding safely.
 ■ Read your Owner's Manual carefully. ■ Never ride under the influence of alcohol or other drugs.
