Way of Life!

VanVan
R V 1 2 5

Get Into The VanVan Spirit

The VanVan 125 with its relaxed low-and-long styling design, invites you to run free with your imagination. Wide, low seat and also wide handlebars on long-wheelbase chassis composing a roomy position for relaxing rides. Thick tires with a dynamic tread pattern to get you smoothly across beachfront paths or countryside back roads. Here it is: a neat, compact riding package ready for action and dedicated to the spirit of freedom. Get into the VanVan spirit.

Pearl Mirage White (YPA)

Extra-large, high-positioned muffler

Grab bar / luggage carrier

Rubber-covered footpegs

- 125cm³, 4-stroke, single-cylinder, air-cooled engine is built for brisk response.
- Fuel injection, intake/exhaust system layouts and six-speed transmission are tuned for emphasis on low-to-mid range power and street-friendly power characteristics.
- Carefully selected gear ratios provide smooth acceleration from each gear.
- Push-button electric starter for easy starting.
- Fuel injection and catalyzer help reduce emissions.
- Wide, spacious cushioned seat enough for two-person and low 770mm (30.3in.) seat height bring comfortable ride for both rider and passenger.
- Convenient one-piece grab bar/luggage carrier with luggage hooks for everyday shopping items or weekend outdoor gear.
- 33mm-inner-tube telescopic front forks and single-shock absorber rear suspension with 134mm of wheel travels for supple handling performance.
- Wide 18-inch 130/80 front tire on an aluminum-rim wheel and extra-wide 14-inch 180/80 rear tire, both with a dynamic, distinctive tread pattern.

- Front disc brake with two-piston caliper and rear drum brake provide strong stopping power.
- Slim shaped 6.5-liter fuel tank.
- Rubber-covered, large-sized footpegs add more comfort.
- Compact round 60/55W headlight and bold, distinctively designed rear combination light.
- Easy-to-read speedometer with black face and white numbers glow green in the dark.
