## **Suzuki to Provide Humanitarian Support for Ukraine**

As a humanitarian support for those affected by the events taking place in Ukraine, Suzuki Motor Corporation has decided to donate a total of 1 million Euros from Suzuki and the Suzuki Group companies in Europe to the Office of the United Nations High Commissioner for Refugees (UNHCR), etc.

The donation can help ensure that those forced to flee their homes are sheltered and safe.

We wish that the situation will be brought to an end as soon as possible, and that there will be peace for all.
