Suzuki Motor Corporation would like to express our sincere condolences to those who lost their lives in the 2024 Noto Peninsula Earthquake, and offer our heartfelt sympathy to all those affected by the disaster.

Suzuki has decided to donate 10 million yen through the Japanese Red Cross Society to help support those affected by the disaster.

The company will also consider providing vehicles upon requests from the local municipalities affected by the disaster.

Suzuki Motor Sales Hokuriku Inc., our affiliate distributor in the affected region, will provide EV fast charger free of charge at one of its dealers, Suzuki Arena Kanazawa, for drivers using EVs in the affected area, from 11 January during its working hours.
