

Suzuki Invests in “A.Capital Fund V” through Suzuki Global Ventures

Suzuki Motor Corporation (hereinafter, “Suzuki”) has invested in “A.Capital Fund V”, which is managed by A.Capital, a venture capital based in San Francisco, United States, through Suzuki’s corporate venture capital fund “Suzuki Global Ventures” (hereinafter, “SGV”) based in Silicon Valley.

A.Capital is a venture capital with a strong track record of investing in start-ups across a wide range of industries. The “A.Capital Fund V”, in which SGV has invested, focuses on investment in AI start-ups.

Suzuki launched SGV in 2022 to provide value that customers and society demand and to create new businesses and business models through co-creation activities with start-ups. Through this investment in A.Capital, SGV expects to leverage A.Capital’s extensive network and gain insights into the AI field.

Suzuki will accelerate the development of new businesses and technologies by strengthening collaboration with a diverse range of start-ups.
