

# **SUZUKI MOTOR GUJARAT PRIVATE LIMITED**

## **ENVIRONMENTAL POLICY**

### **Philosophy**

Suzuki Motor Gujarat Private Limited (SMG), on the basis of SMG Mission Statement "Customer obsession, Innovation and Creativity" and recognizing conservation of the global environment as one of the most important tasks, will carry out production activities that take environment conservation into consideration.

### **Policy**

In accordance with the "Suzuki Global Environment Charter ", SMG, manufacturer of 4-wheeler vehicles, will carry out the following environmental conservation activities through production activities.

Production activities, products and services in SMG which may have significant impact on environment, SMG would set goals to improve environmental management system to the extent technically and economically possible at each level.

For this SMG will:

1. Ensure the compliance obligations, set autonomous standards if necessary, control them and aim towards conservation of living environment and surrounding community by:
  - 1) Preventing water pollution by maintaining the quality of wastewater
  - 2) Properly managing the facilities of steam boiler, effluent water treatment etc.
  - 3) Reducing noise pollution
2. Reduce resources, energy, CO<sub>2</sub> emissions, waste generation etc. and make efforts for the continual improvement by practicing Reduce – Reuse – Recycle (3R).
3. Set and control the internal regulations related to environmental protection activities including prevention of pollution.
4. Form organizational structure favorable for the promotion of the environmental conservation.
5. Reduce the environmental burden due to the production and service related activities.
6. Carry out the environmental promotional activities so as to increase the awareness and contribute to the environmental conservation activities.

This policy shall be regularly reviewed and made available to interested parties.

OCTOBER, 2017
