### (2) Reason

The Company recognizes shareholder return as an important management issue.

As for dividends, we hold the basic policy to pay dividends continuously with a target payout ratio of 30% as announced in the "Mid-Term Management Plan (April 2021 to March 2026) ~ "Sho-Sho-Kei-Tan-Bi" ~" released on February 24 of this year.

Based on this dividend policy, the Company proposes to pay a year-end dividend of 53 yen per share, an increase of 5 yen from the year-end dividend of the previous fiscal year.

Since 37 yen per share was paid as an interim dividend, the annual dividend for the fiscal year will be 90 yen per share, an increase of 5 yen from the previous fiscal year.
