## **Notice regarding Change in Date of Announcement of Financial Results for the Fiscal Year Ending March 2020**

SUZUKI MOTOR CORPORATION (“the Company”) hereby announces the date of announcement of its financial results for the fiscal year ending March 2020 on Tuesday, May 26, 2020, changed from originally planned mid-May period.

### 1. Reason for the change

The company has been working on financial results for the announcement in mid-May, however, due to the global spread of COVID-19, lockdown measures have been implemented in countries around the world as well as the Japanese government's declaration of a State of Emergency, it is taking longer than usual for our company and consolidated subsidiaries to work on financial results.

Accordingly, the company has decided to postpone the announcement of its financial results for the fiscal year ending March 2020 to Tuesday, May 26, 2020, judging that it is difficult to announce the financial results for the mid-May, as originally planned.

### 2. Briefing on financial results

The company usually held briefing sessions for the media, institutional investors and analysts on the day of the financial results announcement.

However, in order to prevent the spread of COVID-19, the company will hold a conference call for the fiscal year ending March 2020, instead of conference room sessions.
