Turn Up Your Style with Suzuki Genuine Accessories

Introduction

All Suzuki genuine accessories are designed to ideally match each model and are tested to meet Suzuki's strict quality standards. Choosing Suzuki accessories makes sure your motorcycle maintains the high-quality feel of the Suzuki style.

Suzuki is continuously working on manufacturing ever better quality products and highly recommends our genuine accessories to customize your Suzuki motorcycle.

*Suzuki Motor Corporation reserves the right to make any modifications to any of the Suzuki genuine accessories, or discontinue any item at any time without notice.

Durability Test

The durability of the side cases was confirmed through rigorous tests performed with two riders on a two-seater motorcycle riding over potholes.

Designed to Fit

Through a coordinated development process all genuine accessories were designed to ideally match each specific motorcycle model.

Material Test

The premium seat's surface was verified through tests to remain 14% cooler* than the standard seat thanks to advanced engineering that lets infrared rays penetrate.

* The effectiveness varies depending on conditions.

Thermographic comparison of surface temperatures

Exclusively Engineered

The frame sliders were exclusively designed to fit the frame to be strong and sturdy while also enhancing the sharp appearance.

GSX-S1000GX (from 2024 onwards)

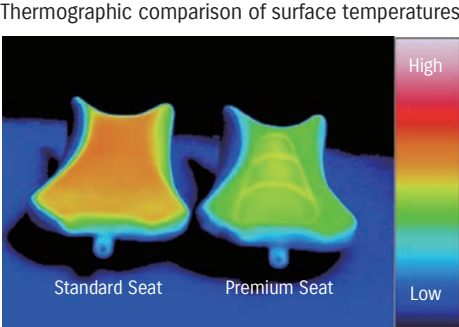

Premium Seat 45100-48820-000

Double-layer cushion construction to help maximize comfort. The seat is constructed from two layers of molded urethane foam that differ in level of firmness. The softer surface layer completely envelopes the firmer lower layer, so the entire seat feels better to the touch and more comfortable to sit on. Marking another Suzuki first, the seat is engineered to let infrared rays penetrate, thereby helping to keep its surface 14% cooler* compared to the original seat from the sun. Red double-stitching around the upper seam gives the seat a custom handmade look that goes well with all the available body colors and further enhances the sporty appeal of the GX. The top surface material features a matte "pear grain" finish, chosen for its resemblance to suede, its luxurious texture and the positive grip it provides the rider. An embroidered GSX-S logo adds a crowning touch to this seat's premium finish.

*The effectiveness varies depending on conditions.
