Privacy Notice for processing data (Europe Only)

Dear Sir/Madam,

We, Suzuki Motor Corporation, collect the following personal data for quality management of the lithium-ion battery in your automobile, including but not limited to, enabling us to immediately provide you with information related to recalls, service campaigns, etc.:

<Items of personal data>

- The Vehicle Identification no. (VIN)
- The identification no. of the new lithium-ion battery
- The identification no. of the old lithium-ion battery
- The date of change of the lithium-ion battery
- The mileage (Km) at the change of the lithium-ion battery

Further, we will share your personal data, if applicable, for the above purposes with the manufacturer of your automobile, Magyar Suzuki Corporation, which is our subsidiary located in Hungary ("Magyar Suzuki"). For further details about how we and Magyar Suzuki process your personal data, please read the Privacy Policy(s) in the link below.
