Dear Dealers/ Repair Companies, **(Europe Only)**

Please conduct the following issues when you replace the used lithium-ion battery pack.

- Dispose of the used lithium-ion battery in accordance with the “Handling Manual for Used Lithium-ion Battery Pack” on the Suzuki website (https://www.globalsuzuki.com/xev_battery).
- Fill “The Serial No. report of Lithium-ion Battery(*)” and send it to Suzuki distributor of your country by FAX, e-mail or suitable way.
- Hand over the enclosed “Privacy Notice for processing data” and explain its contents to the customer.
- Notify the customer that you will send “The Serial No. Report of Lithium-ion Battery” which contains the personal data to Suzuki Motor Corporation in Japan and Magyar Suzuki Corporation in Hungary through Suzuki distributor of your country.

Thank you for your kind cooperation.
Suzuki Motor Corporation
